Stupid woman had car accident a MONTH ago and now its an emergency and she is SOA (short of air). Ugh. fire and ems going code 3 to this idiot.

I hate people that don't know their address. Their excuse is 'they just moved'. What a waste of human life.

I am so sad to hear a 10 yr old girl has passed away from a fire I took the other night. IF THE NEIGHBOR SEES THIS I HOPE HE FEELS HORRIBLE!
